

**Career Opportunity****Role: Paint Sprayer****Location: Stansted, Essex**

AEM, with its head office at Stansted Airport, is a subsidiary of AMETEK. As part of AMETEK's Aerospace & Defense Division, AEM is one of the largest independent aircraft component repair and overhaul facilities in Europe.

We have an immediate full-time vacancy, at our Stansted site for a Paint Sprayer; this is a permanent role and reports to the Team Leader.

**Job Purpose:**

- To work as part of the ELBU team, undertaking a breadth of tasks including degreasing, masking, application of sealant, application of primer coatings, application of matt and enamel top coatings to an extensive variety of components from a wide selection of different aircraft platforms.
- Maintain the function of paint plant and associated equipment.
- To assist, as required, with the monitoring of stock levels for paint and consumables.
- To assist, as required, with certain elements of machine maintenance (preventative and scheduled).

**Main Tasks:**

- Paint spraying of an extensive variety of components from a wide selection of different aircraft platforms.
- Maintain plant and equipment.
- Help monitor and maintain stock levels of paint and consumables.
- Maintain and ensure implementation of all standard operating practices and procedures.
- Ensure strict compliance and implementation of all safety standards.
- Ensure quality standards are maintained in accordance with EASA, FAA and company procedures.
- Comply with health, safety and environmental regulations.

**Qualifications:**

- Numerate and literate (GCSE or equivalent in Maths and English essential).
- Industry recognised Paint Spraying Qualification (essential).

**Experience:**

- Proven experience within a paint spraying environment – Ideally within the Aviation Sector (essential).
- Proven experience in reading and interpreting manufacturers refinish drawings - Ideally within the Aviation Sector (desirable).

**Competencies**

- A high level of numeracy and literacy is required, as well as an ability to interpret and follow in detail compliance manuals.
- An ability to work to tight deadlines is essential, whilst maintaining a high degree of quality, workmanship and compliance with health and safety regulations.
- Ability to work well in multidiscipline/cross-functional teams.
- Customer focused and able to build and maintain robust customer relationships.
- Strong analytical, administrative and organisation skills and excellent attention to detail.
- Capable of communicating accurate and concise information at all levels.
- Strong communicator (written and verbal).
- Well organised and self-motivated.

**Additional Information:** This role is physically demanding. The employee will be required to meet the physical requirements of the role on a daily basis.

**Salary:** Competitive, depending upon experience
